

Mark Cosby

Mark Cosby

Mark Cosby's immaculate style of entertainment has astonished even the most sceptical audiences throughout the world, from Dubai in the Middle East across the capitals of Europe to the USA.

Training Seminars

Mark's ingenuity comes into force by teaching business communication skills illustrated with simple magic tricks to company delegates.

This source of motivation and team building has proved invaluable to many International Companies.

Trade Shows

Why not let Mark Cosby devise a unique presentation for your trade show?

Mark makes people appear in a cloud of smoke and turns company letterheads into £50 notes!

Products - information - sales slogans - all can be incorporated but most importantly Mark involves prospective clients in the excitement generated on the stand, leading to increased sales opportunities.

Corporate Hospitality

Drinks receptions to Gala Dinners, Mark's spectacular feats of mind-reading and magic will amaze your guests and make your next event an occasion to remember.

Mark Cosby

Mark left a promising career as an electronic engineer and started on a journey that has led him from palaces to casinos – from race tracks to Downing Street.

Across 3 continents Mark has brought his special blend of mind reading and magic to corporate dinners, private parties, sales promotions, seminars, film premieres and hotel cabaret.

Mark has supplied technical advice for television and appeared on programmes for both the BBC and ITV.

Mark is a member of Equity and is a Silver Star Member of the Inner Magic Circle.
